

in of the in
no no in
MAKE ART

The image is a complex graphic design composed of multiple instances of the words "in of the in" and "no no in". The text is rendered in various fonts, sizes, and orientations, creating a dense, layered effect. Some letters are solid black, while others are white with black outlines. The phrase "MAKE ART" is prominently displayed at the bottom in a bold, blocky, sans-serif font. The overall composition is abstract and visually busy, with a strong emphasis on typography and geometric forms.
